

Elementary Schools eLearning Roll Out

From the school's website, the parents will sign off the 1:1 policy in order to receive the student device..

Students may not pick up devices if 1:1 is not signed by one of their parents.

Parent signatures can be provided at pickup.

Parents not attending one of the scheduled time slots should call the office to arrange a pick up time.

Student Problems with devices:

1. Email teacher (most problems will be with forgetting passwords, knowing assignments, etc)...teacher will contact the tech department at 677-4431 if support is needed.
2. Call the school office.

A packet of information will be given with each iPad...giving parents/students contact info, directions for IXL, Acellus logins, and a list of enrichment resources, homework assignments. Students will receive DEVICE, CHARGER, Homework packet

COLLECTION OF DEVICES:

Students will return devices to their classroom teacher, on May 4th, or when they return to school.

DISTRIBUTION OF DEVICES:

We encourage parents to sign up online prior to pick up. If a parent does not complete online signup, the pickup lines will be greatly slowed down. We strongly encourage parents to register ahead of time and we will provide a link along with the sign up procedure. Secretaries and administrators will make calls after the roll out to parents who have not yet signed up and received a device.

To keep devices through summer, students must be registered for 2020-2021 school year.
